About Me

Results-driven Web Developer with expertise in PHP, Laravel, JavaScript, and React. Skilled in building scalable solutions and managing projects from concept to deployment. Currently pursuing an MSc in Management at Leeds Beckett University, blending technical expertise with strategic business insight.

Experience

Software Engineer   2023 - 2024
AL FEROZ PRIVATE LTD- Remote UK

I led the management and maintenance of websites, ensuring high standards of security, performance, and seamless functionality. My role involved implementing optimizations that significantly enhanced user experience and system reliability.

Web Developer   2022 - 2023
CarbonTeq - Pakistan

I developed and optimized web applications, focusing on improving both efficiency and scalability. I collaborated closely with cross-functional teams to deliver high-performance solutions, contributing to the overall success of the projects.

PHP Developer   2024 - Jan 2025
Creative Rays - Pakistan

At Creative Rays, I developed and maintained web applications using PHP and Laravel, focusing on performance, security, and user experience. I collaborated with clients to meet project requirements and optimized features for seamless functionality.

Certifications
